

In 2011 the No Limits Car Club decided that it was time to give something back to those who need it more than most. We set about organising a charity race event. Knowing the fantastic work Variety WA do for disadvantaged children, we could think of no better recipients for the proceeds from this great event.

With overcast skies and sheets of rain the night was looking a little grim, however a strong showing of some of Perth's braver drivers saw 22 cars take to the track for our 2011 Variety WA challenge. The rain eased off early and saw a dry track by 9pm with a number of drivers recording personal best times for 2011, the winner for RWD class of the Federal Tyres Street Series was decided at the very end of the night after it was constantly changing during the event.

With the support of the WA Sporting Car Club, Confederation of Australian Motorsport, Visual Inspirations and KAM Images Photography as event sponsors and the No Limits Car Club putting on a gold coin donation barbecue, we can proudly announce that we raised a total of \$3715 for Variety WA.

We cannot be more proud of all those who braved the cool evening who came to compete, spectate or just lend a hand to this great cause. We would also like to personally thank the following people for their outstanding effort, Raymond Shaw for supplying all timing for the event, Alan Connell our club medic, Shane Brittain our flag marshall, Matthew Rann on security and Brett Williams our Vice President for running pitlane and controlling our Clerk of Course duties.

No Limits Car Club looks forward to working with Variety WA in the future and continuing to help kids in need.

Jai Philp
Club President
